

## Leptospirosis

The following is a list of diagnostic laboratories, other than the Department of Agriculture Laboratories that have provided details of tests offered for Leptospirosis and the accreditation status of these tests. For further information please contact the laboratories directly. To amend an entry or to enquire about inclusion on the list, please contact us at [admin@animalhealthireland.ie](mailto:admin@animalhealthireland.ie).

ISO 17025 is an internationally recognised standard for accreditation for tests provided by laboratories, that includes assessment of the quality, administrative and technical systems in operation and provides reassurance to clients of the accuracy of the results generated.

### Key

 INAB / (UKAS) Accredited to ISO 17025

 Not accredited to ISO 17025

Laboratory provides herd accreditation to CHeCS standard
