

## HERDOWNER GUIDE TO GRANTING AHI ACCESS TO VIEW ANIMAL HEALTH DATA ON ICBF

The screenshot shows the ICBF 'Edit Authorisations' interface. The top navigation bar includes 'ADMIN' (1), 'REPORTS', 'RECORD EVENTS', 'VIEW PROFILES', 'APPLICATIONS', and 'SERVICES'. The main content area is titled 'Edit Authorisations' and includes a list of service categories on the left and a 'View Authorisations' panel on the right. The 'Veterinary Service' category (2) is expanded to show a list of practices, with 'CORCORAN VETERINARY' (3) selected. The 'View Authorisations' panel shows details for 'AAA VET CARE' and a 'Grant Access' button (5) next to an unchecked checkbox for 'I have agreed to the terms and conditions' (4). A note below the panel states: 'Note: To receive access, you must first accept the terms and conditions of the Authorisations, then press the button marked "Grant Access" to continue'.

- Select **1 ADMIN** → Change Data Permissions from the top level menu.
- Click on **2 VETERINARY SERVICE** on left hand side of the screen.
- Click on the **3 VETERINARY PRACTICE** name.
- Tick the **4 I HAVE AGREED TO THE TERMS AND CONDITIONS** box.
- Click on **5 GRANT ACCESS** button.
