

IBR																				
<p>The following is a list of diagnostic laboratories, other than the Department of Agriculture Laboratories, that have provided details of tests offered for IBR (antibody and virus detection) and the accreditation status of these tests. For further information please contact the laboratories directly. To amend an entry or to enquire about inclusion on the list, please contact us at admin@animalhealthireland.ie. Note that the Department of Agriculture Laboratories Virology Division (Backweston) must be used for official testing for BVD and IBR (e.g. for entry to AI).</p>			<p>ISO 17205 is an internationally recognised standard for accreditation for tests provided by laboratories, that includes assessment of the quality, administrative and technical systems in operation and provides reassurance to clients of the accuracy of the results generated.</p>		<table border="1"> <tr> <td style="background-color: #90EE90;">INAB / (UKAS) accredited to ISO 17025</td> </tr> <tr> <td style="background-color: #FFFF00;">Not accredited to ISO 17025</td> </tr> <tr> <td>B Blood</td> </tr> <tr> <td>M Milk</td> </tr> <tr> <td>T Tissue</td> </tr> <tr> <td>Sm Semen</td> </tr> <tr> <td>NS Nasal Swab</td> </tr> <tr> <td>BAL Broncho-alveolar lavage</td> </tr> </table>						INAB / (UKAS) accredited to ISO 17025	Not accredited to ISO 17025	B Blood	M Milk	T Tissue	Sm Semen	NS Nasal Swab	BAL Broncho-alveolar lavage
